Presents

I am a Professor Now: How Do I Start Working Towards Tenure

A Panel Discussion

Tuesday March 10th

6:00 pm

(Food will be served starting at 5:30 pm)

Forney G124

Have an open discussion with engineering professors at various points in their career about working towards obtaining tenure in an engineering school or department. The focus will be on the first years as a faculty member and setting yourself up for success. Panel members are:

Dr. Monica Cardella

Dr. Vijay Raghunathan

Dr. Phillip Wankat
